ABOUT

MDM Master Data Marathon, is the one and only Marathon on all things Master Data and on how to advance in your digital journey. A truly global event featuring the most inspiring data stories the world has to tell, moderated by the one and only, Scott Taylor, the Data Whisperer.

One World. Regardless of where you are, this virtual event targets and unites all geographic locations and unites all Countries regardless of the time-zones.

One People. We are ONE. The pandemic made it even more clear that we are on the same boat, facing similar challenges, trying to stay human and stay in touch with one another despite the obstacles that physical distancing obliges us to endure. The MDM unites us all.

One Data. Data lovers know that already. Regardless of your company, your locations, your industry, the journey to elevate Data to a strategic asset is what unites us all. Master Data is the foundation of Digital Transformation, and whether your organisation is trying to win customers, improve efficiency or just take it to the next level, this Master Data Marathon will give you 26.2 hours of content, inspiration and practical lessons on how to make that happen.

Are you a data lover? This is THE Marathon you've got to run for.
